*** = Excellent * *= Good *=Fair

Applications and characteristics

- High quality magazine paper appearance with double side photo print quality capability.
- Compatible with all current desktop printers up to A3+ using both dye and pigment inks.
- Applications include short run leaflets, print prototypes and brochure proofing.
- With heavy ink loadings, we suggest the paper is allowed to rest before printing the second side.
- As always with duplex inkjet printing, please follow the printer manufacturer's guidelines which usually recommend single sheet feeding when printing the second side.

Recommended conditions for use: 10°C - 30°C, 30% - 70% RH

for storage: 5°C - 30°C, 20% - 70% RH

Material Handling, and Shelf Life: 24 Months
