Applications and characteristics

- Ideal for décor art & photographic reproduction.
- Rough textured surface provides a traditional watercolour paper effect.
- High whiteness is achieved in an archival quality, alpha cellulose base paper, with no Optical Brightening Agents.
- Low-sheen finish, even with solvent inks.
- Traps all ink in coating, no bleed-through.
- The combination of this material with solvent inks gives a robust finish, ready for use without over-
varnishing.
